

Feedback for RRMP Statistical worksheets [Formative]

Tutor completing formative feedback: Karen Outram	Student number: Kieron Holmes
Details of any extensions etc:	Submission Attempt: Formative

Thank you for submitting your formative Kieron.

The layout and presentation of your stats, is very professional and answers the formative question well. You have taken time to reflect upon and answer the formative exercise both professionally and from an academic perspective.

The bar charts clearly show your findings and you have laid the content out with care on x3 separate Excel sheets, with a supporting document concisely reflecting upon your findings.

This will be a good addition to your e-portfolio outcomes.

With best wishes

Karen
